it is necessary that the requisite information regarding the deceased and his relatives should be furnished on the inside of this form in strict accordance with the printed instructions. The particulars required are to be carefully filled in and the Declaration on the back should then be signed in the presence of a Clergyman, Priest, Local Magistrate, Commissioner for Oaths or Notary Public, who should be asked to complete and sign the Certificate. This form should then be returned to the above address.

A deceased's Service estate, the administration of which is the responsibility of the Estates Branch, consists of any balance of pay and allowances at credit, cash on hand and the personal effects which are under the control of the Service authorities. To obtain such assets, it is not necessary for the person(s) legally entitled thereto to obtain through the Courts Probate of the Will, or if none, Letters of Administration of his estate.

In addition to the administration of those Service assets, the Administrator of Estates is authorized to withdraw into Government account any funds (within a defined amount) on deposit to the deceased's credit in Banks, Post Offices or other financial institutions in Canada and Overseas, without expense or trouble to the person(s) legally entitled to the estate, and to distribute such funds at the same time as any balance of pay is distributed. Also, War Savings Certificates and Victory Loan Bonds owned by the deceased may be redeemed and similarly distributed, or transmitted into the name(s) of the person(s) legally entitled. Such Certificates and Bonds should not be forwarded to the Administrator of Estates until they are requested.

If there are other assets which necessitate an application for Probate or Letters of Administration, the Administrator of Estates may transfer and hand over the Service assets to the executor or administrator appointed by the Court so that all the estate, Service and otherwise, may be dealt with as a whole.

The information given by you on Pages 2 and 3 of this form is therefore of importance in determining whether or not the deceased's assets are such that they may all be administered by the Administrator of Estates to the person(s) legally entitled, that is, without the need for Probate or Administration.

If there is insufficient space for complete particulars to be given opposite any question on Pages 2 and 3 of this form, the space under "additional remarks" on page 4 should be used.
