Gibsons to Squamish

Gibsons today is a busy community of residents, transient ferry travellers, business people and boat operators docking their craft at Gibsons Marina. This large facility is one of the biggest and best of its kind in local coastal waters. It provides all services required by mariners from the chandlery store at the head of the dock to nearby repair facilities. The marina offers power and water, showers and laundry, fish cleaning, bait, tackle and accessories. In the waterfront village of Gibsons Landing there are stores, restaurants, a
